

Technical drawing of the side view of the 'ステンレス網' (Stainless Mesh) component. The drawing shows a vertical assembly with a mesh section. Dimensions include a total height of 165φ, a mesh section height of 124φ, and horizontal dimensions of 7, 10, and 47. A label 'ステンレス網 (16M)' points to the mesh. A note '開' (Open) with arrows indicates the mesh can be moved.
